

Note: Traineeships are delivered by the Education and Training Boards (ETBs). The decision by an ETB to deliver a traineeship is determined based on the needs identified in collaboration with industry/employers in the sector and local requirements.

Therefore, not all ETBs will offer every traineeship; likewise, elements of a traineeship such as the content, award, duration etc may vary based on the needs identified.

The information below is a sample only; it gives an idea of what this traineeship involves but may not be replicated exactly across ETBs offering this traineeship.

SAMPLE DESCRIPTOR

Computer–Aided Design (Revit, Inventor etc) Traineeship

This course has been designed in order to provide business with personnel who are skilled in computer aided draughting and design techniques. The course has been designed to provide the trainees with the skills and related knowledge in the application and modification of two dimensional and three dimensional computer aided draughting, to expose students to the latest state-of-the-art CAD software and to develop their attitudes, personal effectiveness and job seeking skills that will enable them to obtain employment using various computer aided draughting and design software packages. Students will get the opportunity to work with the latest software, e.g. AutoCAD, Revit, Inventor and many more.

Typical Certification:	City and Guilds Level 2 Certificate in Computer Aided Design City and Guilds Level 3 Certificate in Computer Aided Design Autodesk Revit Certified User Safe Pass
Typical Content:	Advanced CAD Project CAD system justification, Installation and Configuration Career Planning and Job Seeking Skills Computer Aided Design using Parametric Modelling Software Using 2D Computer Aided Design Software Using 3D Computer Aided Design Work placement
Typical Duration:	51 weeks All Traineeships have a minimum of 30% on-the-job learning.
Further information	Details of traineeship programmes currently open for registration are available on www.fetchcourses.ie Further information on traineeship programmes may also be obtained from your local Education and Training Board (ETB) www.etbi.ie/etbs/directory-of-etbs/ Some traineeship programmes may not be open for registration at a particular time.
