

Note: Traineeships are delivered by the Education and Training Boards (ETBs). The decision by an ETB to deliver a traineeship is determined based on the needs identified in collaboration with industry/employers in the sector and local requirements.

Therefore, not all ETBs will offer every traineeship; likewise, elements of a traineeship such as the content, award, duration etc may vary based on the needs identified.

The information below is a sample only; it gives an idea of what this traineeship involves but may not be replicated exactly across ETBs offering this traineeship.

SAMPLE DESCRIPTOR

HGV Driving Traineeship

The aim of the course is to provide the trainees with the skills and related knowledge in the rules of the road, driving a heavy goods vehicle - rigid and artic body, care and maintenance of the vehicle, loading and unloading the vehicle, customer care and documentation and to develop their attitudes, personal effectiveness, and job seeking skills. This programme will enable the trainees to obtain employment in driving rigid and artic body heavy goods vehicles.
