

Note: Traineeships are delivered by the Education and Training Boards (ETBs). The decision by an ETB to deliver a traineeship is determined based on the needs identified in collaboration with industry/employers in the sector and local requirements.

Therefore, not all ETBs will offer every traineeship; likewise, elements of a traineeship such as the content, award, duration etc may vary based on the needs identified.

The information below is a sample only; it gives an idea of what this traineeship involves but may not be replicated exactly across ETBs offering this traineeship.

SAMPLE DESCRIPTOR

Overhead Lines Operative Traineeship

This course has been designed to provide the Electrical Transmission and Distribution Sector with personnel who have the knowledge, skills and competencies to undertake a range of roles within the Electrical Overhead Power Line Sector.
